you are here and I love
to be with you.

The sorrow of men

He was with you and

I was so glad as it

felt that you will be

now believe that he is

in the spirit world and

in the love of God

He is the Lord who

came down from Heaven

to save men. Let his

love for you help

6

you to become a more spiritual
man God will bless

you in all your
doings

Amen

7

yes I am here
your father
yes I am here the
was with you and
you will soon learn
much more from
him as he says that
we will teach you
the truth and the light
and the way
So let God and keep
his commandments

8

Let your heart be open
to the divine teachings
of the master he will
not show you all
the love he has for
you but will let
you feel that he is
your loving friend
and saviour

Because he loves you
and believe that you may
be of some benefit to the
world

Yes He was the real
Jesus of the Bible

He is not in the Kingdom
 and sitting on the
 right hand of the Father
 but is in the Kingdom of the
 world and still
 teaching them the
 power of love and truth
 He does not need the
 worship of man but all
 that he wants is the
 love and
 and happiness
 He is not the Saviour
 of the few but of

men who will ask him
to help them. Let
your love for God ever
increase and you
will not be unhappy
or cast down.

Good night,
Your father,
John H. Wadsworth

11
Give your heart
to the Lord and he
will bless you as
you will soon

realize
He did and He
will come to you
again soon He
is waiting to

renew you to tell you
of the truth that He
is & that He is
longing to have you
know His secret

going to let you feel
 that he is always with
 in the heavens far be
 beyond the reach of
 man but is with them
 all the time working
 and trying to save
 them from their sins.
 At your love for God
 and his truths keep
 you from what is in
 your mouth. Be a true
 seeker after the knowledge
 that is in Christ and
 you will not be

long in doubt as to
which is the way to
eternal happiness

Keep trying to find
the truth

He told me that he
would come to you so
that you might not
doubt any longer
but he is not
going to leave you
as long as he is

14

some years ago when
your heart was kind
and simple

You must believe
what he says to you
It is not I

Prayer is the
strong basis of the
Bible

It will love and help
you at all times
