

11
Give your heart
to the Lord and he
will bless you as
you will soon

realize
He did and He
will come to you
again soon He
is waiting to

renew you to tell you
of the truth that He
is & that He is
longing to have you
know His secret

going to let you feel
 that he is always with
 in the heavens far be
 beyond the reach of
 man but is with them
 all the time working
 and trying to save
 them from their sins.
 At your love for God
 and his truths keep
 you from what is in
 your mouth Be a true
 seeker after the knowledge
 that is in Christ and
 you will not be

long in doubt as to
which is the way to
eternal happiness

Keep trying to find
the truth

He told me that he
would come to you so
that you might not
doubt any longer
but he is not
going to leave you
a moment as he did
