

you are here and I love
to be with you.

The sorrow of men

He was with you and

I was so glad as it

felt that you will

now believe the truth

in the spirit world and

in the love of God

He is the Lord who

came down from Heaven

to save men. Let his

love for you help

6

you to become a more spiritual
man God will bless

you in all your
doings
I am
Amen
