

17  
I am here  
I am happy and so is  
your mother and you are  
very much better spiritually  
than since you were  
a very young boy

You are commencing to  
see the true teachings  
of the Father. Let your  
father be Christ as  
he is the truth and the way  
and the light.

It was Jesus of the  
Father that came to

18  
you on Sunday night and  
I know because I was with  
him and know it was he  
He is not an impostor  
as your friend thinks  
might come representing  
himself to be the true Christ  
but he was Jesus of Nazareth  
and he was the only one  
in all the spirit world who  
has the wonderful countenance  
of love and truth  
He is the one true  
Son of God Christ

can save you and your  
friend from your sins.  
believe in him and do  
not let the teachings  
or false statements of  
the other shun cause  
you to have doubts as  
to his being the true  
Christ. Keep his love  
fixed in your hearts.  
He will come to you  
in person and also to his  
Beloved if he will only  
believe and earnestly pray.

to him. He is not the  
spirit that Mr. Colburn thinks  
may impersonate him.  
He is the true Jesus that  
was hanged on the cross  
and arose again from  
the dead. He is not deceived  
by the spirits who say  
that he cannot come to  
you or your friend.  
He is your friend and  
savior and he loves you  
both as his younger brother.  
Give your love to God  
and he will show it to you.

21  
the way to salvation  
Jesus is the humanity that  
took the form of man and  
lived on the earth teaching  
the truths of love  
Christ is the truths that  
Jesus taught and these  
truths are the everlasting  
things that will save the  
human race from their  
sin. He is a spirit  
just as man but he  
is so very far above us

in the spirit life and  
knowled of God that we

all who believe in God  
look up to him as our

teacher and saviour  
our saviour believe that

thru your saviour and

you will not be deceived

At his love for you

keep you in the true

way to eternal life

and happiness

God bless you
