

I am here Jesus
Best of good cheer for
I am with you always
Do not let your
heart fear for the
Savior your keeper
and he will be your
guide and shield
only believe and trust
in him and you will soon
be born again into
the spiritual world of
his kingdom. Let me
teach you and give you
the thoughts that he
gives me as his son
when I catch

Let me show you that
the things of this world are
not the things that save
the soul from a cruel and
unhappy future. Be a true
follower of Jesus Christ
thus the flowering of the
Violet in the heart of the soul
of a man and the shining
of all that tended to keep
it in a condition of
sin and disease.
This is not the working
of the man's own will
but the grace of God
thus the love of
God that has all

And the world is

understanding you will
experience the change
and then you will be
a happy man and
fit to lead others to
the path of God
Let your heart be open to
the knocking of the Spirit
and let your mind be free
from thoughts of evil
Be a man who loves his
God and his fellow men
your love is only one
of the many kind but
it will soon be of things
spiritual -
You must not let the
cares of this world keep you
from God let his spirit
come into your soul

your will is the thing that
determines whether you
will become a child of
God or not unless you are
willing to let the Holy Spirit
enter into your heart, it will
not do so. Only the voluntary
submission or acceptance of
the Holy Spirit will
make the change
as the instrument in his
hands of leading you
to his father and love
which is the way
the truth and the life
I mean that through
my teachings and example

men should hate to find
that I was not God and
never claimed to be the worship
of me as a God or blasphemy
and it is not blasphemy
to say of God as you
are. Do not let the teachings
of men lead you to worship
me as God I am not

The Trinity is a mistake of
the writers of the Bible. There
is no Trinity only one God
the Father He is one and
alone I am his only Son
of truth the Holy Spirit is
his messenger and dispenser
of love to mankind
He is only his instrument
in bringing man to a
union with Him

I am not the equal of my father
but he was the only true God
I had before the world was
made but only as a
spirit of the heavenly
kingdom I came from
that home heathen things
took the form of man but
I did not become a God
only the son of my father
You also lived as a spirit
in this kingdom but
you took the form of man
merely as a son of your
father You are used
as only an individual
spirit made in the likeness
of your father. You are
the same as I am except

as to spiritual development
and you may become as

greatly developed as myself

if you will only let the love
of God come into your heart
and I was the only

one who so far had
become vested with the
love of God to the

extent of being wholly

free from sin and error

My life was not a life
of earthly pleasures or sin

but was given wholly to
my father's work I was
his only son in that

light he was that

father as I know him
to be. He is not a
He is not a spirit of
of form like myself
or yourself but of another
form ~~as you say~~

I was born as you were
born I was the son of
Joseph and Mary not born
of the Holy Spirit as it is
written in the Bible
I was only a human
being and I give you my
soul and physical nature
The account in the narrative
is not true and was written
by those who knew not

what they write they have
done the cause of God's truths
much injury - Let not
your belief in that error
keep you from seeing that
my teachings are the truth
Be only a believer of God
and his truths and you
will soon be in the Kingdom
at once and you will soon
be able to understand and
understand

God bless Jesus

can here you. After
Jesus the the one of the
Bible He was with you
and you are the one
who must feel that
you are highly favored
you must believe that
it was he

He it was the true Jesus
He was here. Could
have talked as he did
and you get your father
John W. Rogers

You were talking to Jesus
I know for I was here
and have talked to him

many times
Rev of good cheer you
will soon feel the uplifting
of his holy presence
you will find
Amos B. Allen

Best night I ever
you know

You have my blessing. It
was the Christ who was
telling he is your
kind and sincere only
bless on him your mother
